CERTIFICATE OF THOROUGH EXAMINATION & TEST OF LIFTING EQUIPMENT EC DECLARATION OF CONFORMITY

Hoist ID & Serial No	Issue Date	Re-Test Date	Item specific Report No
NL-7832 WR	24/07/18	23/07/19	001

Equipment Owner	Description Of Equipment
20TEN Show Support Springfield Works Lloyd Street Heywood OL10 2BT	Manufacturer: CM Lodestar
	Model: NLF
	Date Of Manufacture: APRIL 2015
	SWL: 500kg
	Lift Speed: 4mpm
	Power Supply: 415V – 3Ph – 50Hz
	Control: Low Voltage
	Modifications: NONE
	Chain Type: CM DAT STAR
	Chain Length / HOL: 25 M
Chain Reeve: Single	
Chain Limits: Electrical	

Scope of Test – Accordance With Manufacturer’s Recommendations

This Product has been fully examined externally and internally by a competent person.
 This chain has been fully inspected by a competent person.
 The hook assemblies have been fully inspected by a competent person.
 The motor, chain and hooks have been assembled correctly in accordance to manufacturer’s specifications.
 The motor, chain and hooks have been proof tested as a single unit and is found to be free from any defect likely to affect safety by a competent person.
 Proof load of +25% has been applied.

This hoist is being maintained and tested as part of an on-going examination scheme.

CE Conformity Declaration

The Chain Hoist laid out on this Cert, Complies with the requirements of
 EC Machinery Directive, ‘06/42/EC’. Annex 2 (a)
 EC Low Voltage Directive, ‘93/68/EEC’.
 EC EMC, ‘93/68/EEC’.

The Chain & Hooks used in the assembly of this unit, all observe the EC Machinery Directive, ‘06/42/EC’.

Declaration

I hereby declare that the equipment described within this record was inspected & tested in accordance with LOLER Examination and Inspection guidelines 1998.
 This Test and Inspection has also been carried out in accordance with manufacturer’s guidelines and with our Company Policy and Procedures.
 The Hoist has not been modified / re-designed from the original Manufacturers Specification.

This Equipment is found to be free from any fault or defect likely to affect safety.

This Declaration has been made by “The Hoistpital” © 2014

Name: K. Byatt

Signed:

Date: 24/07/18

This equipment must be operated in accordance with manufacturers guidelines. No Responsibility is assumed for the consequences of improper use or modification.
 The EC Declaration of Conformity is only valid if confirmation is received from the end user that the Hoist has been correctly applied, installed and pre use inspection has been carried out, according to the manufacturers operating instructions.
 Furthermore, the validity of this declaration will cease if any modification to the equipment is carried out without the manufacturers approval, the consent of the owner or ‘The Hoistpital’.
